

August, 2022

Dear Parents, Students, and Families,

Welcome to Preschool! We are so excited that you will be joining us at the Douglas Primary School this August!

**Preschool Screening- 4 yr. olds ONLY**

In order to help you get ready for the first day of school, you will need to register your child for a Preschool screening. During the screening, teachers will evaluate a range of developmental tasks including self-care skills, language development, cognitive skills, gross motor skills, and fine motor skills. The results of the screening will assist teachers in planning their curriculum. This screening is a new process for 4 yr. olds. We will be using the Renaissance IGDI (Individual Growth and Development Indicators) assessment tool.

Screening sign- ups will be done online using the link below. Tuesday, Aug. 31<sup>st</sup>, screening runs from 8:30 to 3:00 and Wednesday, Sept. 1<sup>st</sup>, screening is from 8:30 to 3:00. Please only sign up for one time slot and be sure to use your child's name. This is for 4 yr. olds **ONLY**.
